30" Pontoon boat seat - DLX series (300-012-0001-L1)

Product description

The base is made of plastic, the back rest and the seating area is made of plywood. The whole structure is covered with foam and qualified marine vinyl.

The seat is manufactured with a large easy access storage area in the plastic section. Due to their plastic base, the furniture is very durable. All the hardware used is made of stainless steel.

Dimensions :

- Length : 26 1/2"(depths)
- Width : 30"
- Height : 31"

All required hardware included.
