Princecraft Vectra 200 2006 - Rear bimini boot (006-20-574580)

Product description

Protect and extend your biminis life with this superior quality storage boot.

Keep your boat an original. If we made it in the past, we can make it again. This is the same bimini boot initially designed for the year of your boat when it first came out of the factory. No measurements are required.

Important information before ordering (this allows us to check to be sure our pattern will match your boat.

1. Please provide hull number found at the stern of the boat or on the boats' registration document.
2. Manufacturer's information from the original ANP, Gilles Michel or GMI Top Design tag sewn in your old top.(if available)
3. All re-orders for replacement canvas will be made from the most current patterns for the year, make and model provided.
4. You must advise customer service about any aftermarket additions or changes to the boat or framework as these will impact fit.
5. Images shown on this website may not be an identical representation of this specific product. If you need any additional clarification, please contact ANP customer service.
6. Exact color matches may not be possible due to the variations in dye lots and fading of the existing canvas.
