## Sunbrella double pontoon bimini top 15'L x 8.5'W 1.25" Alu/SS Taco - Stern-light (1510254-P2AT-01SL)

---

### Product description

---

When nothing but the best will do, we recommend our high-end pontoon bimini top. You will not find this feature anywhere else.

So brilliant! At last... a pontoon bimini with a light! Improve your night vision with this awesome stern light. We'll install the wire harness for your and the stern light is included.

Constructed with 1.25" aluminum framework, it is dressed-up with our exclusive ball and socket stainless steel deck hinges.

These exclusive fittings will offer greater rotation of the frame. Rugged design also makes it quick and easy to fold and remove the frame. Deck hinges include pins and lanyards for secure positioning and quick release and allows you to either mount it on and 1" or 1.25" square railing. Handcrafted with the UV resistant Sunbrella fabric to protect you from the elements. Zippers are added to the canvas bow pockets, which securely holds the top to the frame and allows fast installation and removal.

Both sections fold up and store in matching storage boots when not in use. Comes very well equipped with amazing exclusive features, and great optional accessories are available should you wish to customize this beauty even more.

This high-end double pontoon bimini top combines strength and functionality and promises years of enjoyment.

#### Dimensions:
